

BOOTH PACKAGES FOR ALTA 2023 EXHIBITION

The exhibition provides an excellent opportunity to network with both delegates attending the conference and visitors. All catering is held in the exhibition throughout the 5-day program including daily welcome tea/coffee, morning and afternoon tea breaks, lunches, Welcome Cocktail and Happy Hour functions. We focus on producing the best layout for exhibitors and traffic flow is managed throughout the event to provide exposure for all booths. Note: 3-day and 2-day booths are subject to availability and will be combined to maximize available space.

Free admission to exhibition visitors not attending the conference during visitor hours (9-11:30am and 2-4:30pm Monday-Thursday, and 9-11:30am Friday). Exhibitors are encouraged to invite clients and contacts to attend.
